## PBIS Cool Tool

### Positive Behavior Interventions and Support

During the month of February, students will be focusing on the Learner Profile of Caring, along with the IB Attitudes of Empathy, Respect, and Commitment. Classes will be listening to the story, "I Can't Believe You Said That" by Julia Cook. Students will be discussing questions about how the character in the story was being disrespectful and how it made people feel. Students will also be focusing on discussing why it is important for everyone to use kind words and speak with respect. Each class will complete an activity where they will sort different scenarios into 3 categories, Don't Say it, Say it aloud, or Filter It. These scenarios will help students understand how speaking with respect and using kind words can be a choice in many situations.
