

Dear Monee Elementary Families,

It is with great pleasure that I introduce myself to you as the new assistant principal of Monee Elementary School. I look forward to joining the Mighty Monee Mustang Family and contributing to a safe, positive environment that fosters high levels of achievement. With great enthusiasm, I am eager to begin this adventure in learning with our staff, students, and families.

It is my 18th year in education and third year as an administrator. For 16 of those years, I have worked intermittently in the Crete-Monee School district. In my time here, I've been fortunate enough to be a part of the Coretta Scott King Magnet School, Crete-Monee Middle School, and now Monee Elementary School communities. On a more personal note, I have been married for 33 years. My husband and I have two wonderful adult children and one fur baby.

As an educational leader, I value building positive relationships that support academic and social growth for our students. I am committed to leading in a way that supports our students as we challenge and prepare them to reach beyond their expectations to become the competitive and innovative future leaders needed for a more peaceful and equitable world. I am honored to serve as the new assistant principal of Monee Elementary, and I am excited about the possibilities that lay ahead for this school year. I look forward to meeting all of our students and their families as we embark upon a year of exceptional learning experiences.

Sincerely,

Myetta Ali
Assistant Principal
Monee Elementary School
